

To whom it may concern,

I am writing this letter of recommendation for Tyler Said. Tyler has worked with me at Nugget Market since September of 2020. Over Tyler's tenure at Nugget Market he has held several positions and excelled in both, earning recognition for his consistent performance, service and reliability. All the while Tyler was earning his degree while attending CSUS.

As an employee, Tyler was always dependable and prioritized creating a world-class shopping experience for our guests and setting up his fellow associates. When I first hired Tyler, he joined our store as a courtesy clerk and was a stand-out, he represented our store in our bag off for his attention to detail and accuracy. Tyler received regular recognition from our guests and families as beloved member of our staff. Over the years, Tyler expressed his interest to grow and eventually took on a role within our Coffee bar as a barista. Here Tyler has spent the rest of his time with Nugget Market, balancing a fast-paced environment, with crafting quality drinks with a focus on guest satisfaction. Tyler continues to receive recognition from our guests for his positive attitude, relationship development and focus for consistent quality.

Nugget Market places a premium on service and quality, among all my associates over the years Tyler has never failed to deliver on both fronts. Tyler comes to work each day with a positive attitude, a warm smile and is a delight to work with. I highly recommend Tyler and believe he will be an asset to any team and organization.
